

# Teen Health Corner

## *Youth focused healthcare*

A 16-year-old girl with a sore throat. A 12-year-old boy who needs a physical. An 18-year-old who needs someone to talk to about personal problems. What do all of these kids have in common? They can all get their health needs met at the Teen Health Corner, regardless of their ability to pay.

## What can Teen Health Corner do for me?

Sick Visits

Immunizations

Yearly Physicals/Sports Physicals

In-School programming

Counseling & Mental Health Services

Medicaid and Market Place Enrollment

Nutrition & Exercise Counseling

Urgent Care

Anything You Want to Talk About

Teen-Specific Issues

We are a part of Kalkaska Memorial Health Center, and proud partners with Kalkaska Public and Forest Area Community Schools to improve the health of youth.

## Open year-round at 2 locations:

Kalkaska

Forest Area

419 S Coral Street

FA High/Middle School

Open Monday-Friday

Open Mon-Wed-Thur

258-7791

369-2000

## How do I pay?

All insurances accepted, including Medicaid & MiChild. No insurance? No problem. We have a sliding fee scale to provide services regardless of your ability to pay. We will even help you apply for Medicaid & Mi-Child.
